Parents, Let's Talk Teens

THURSDAYS 11:30-12:30, OCT. 4TH & 18TH, NOV. 1ST & 15TH

WHO IT'S FOR:

For any parent or care-giver of teens looking for a better understanding of teen development and support navigating this wild ride!

EXPECTED OUTCOMES:

Surviving the white-knuckle, rocky road of the teen years may be more manageable than you think. Let's talk about our teens and what's happening to them during this wild phase of their development. Talking with other parents that are going through similar frustrations, fears, and stress can be a great way to get support. Whether you are looking for information on the teen brain, specific parenting tips and strategies, the comfort of knowing you are not alone in this journey, or all three, this group is for you!
